Our Policy & Commitment

Shashank Shekhar is the founder & CEO of InstaMortgage Inc. He is a renowned author and blogger. His team is fully committed to accessibility, diversity and inclusion. The team is dedicated for making the website Contents and images accessible to everyone, including people with disabilities. We are firmly dedicated to complying with the Americans with Disabilities Act of 1990 (ADA), as amended.

Digital Accessibility Statement

Our target accessibility standard is the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. In our endeavour to meet this level, we have dedicated resources to our digital accessibility compliance effort, specifically directing appropriate resources to the individuals responsible for designing, developing and testing our websites and other digital assets.

Contact

If you have other accessibility questions or feedback, or you would like to request reasonable modifications to our accessibility policies, practices, and procedures, we will consider all requests, please contact us via email at **Hello@InstaMortgage.com**
